

# VIRTUAL VISIT

PREVISITE™

## Create your virtual visits in 3 steps only!

With just a few clicks, you can create virtual tours that are more attractive and generate **greater visibility**.

Visitors can seamlessly navigate room-to-room from anywhere, at anytime!

### Take your photos

With your smartphone or your camera

Then transform them on the platform...

### Log in to the online platform Create your visit and manage your photos

Add a floor-plan, narration, some music...

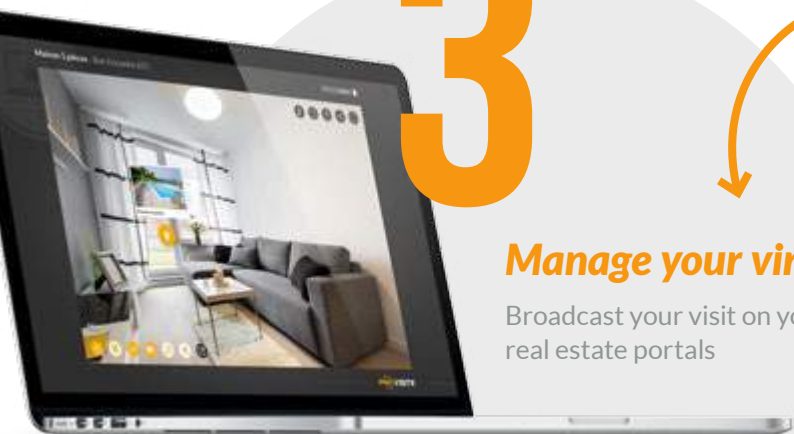

# 2

# 3

### Manage your virtual visit

Broadcast your visit on your website and real estate portals

# Give more visibility to your listings

Easily create your own virtual visits. Virtual visit helps you save time and be more efficient by showing an outstanding overview of your property.

Make a difference!

## A responsive and complete viewer

**Boost your online listings!**

Using your websites and portals viewer will allow you to increase visibility and your listings impact.

The multimedia viewer enables your clients to discover your properties from all angles.

## Mobile App

Directly transfer your photos from the App to the online platform.

Take and automatically download your photos from the App.

## Special offer

Get your professional bundle  
with a preferred rate

Available for any 12 months subscription to VirtualVisit before December, 31<sup>st</sup> 2016
